**Do Know Someone "Outstanding In Their Field?"**

Do you know someone who has made an outstanding contribution to the sheep industry? The American Sheep Industry Association (ASI) is asking for nominations of people who deserve to be acknowledged for their positive role within the industry. The awards program allows producers and industry affiliates a chance to nominate individuals they feel have benefited the industry over the past year.

Six award categories are available for nominations: McClure Silver Ram, Camptender, Flock Guardian, Shepherd's Voice for Print Media, Shepherd's Voice for Broadcast Media and Environmental Stewardship.

Award descriptions and the nomination form can be found by clicking on "Awards Program" on the Home page of the ASI Web site at [www.sheepusa.org](http://www.sheepusa.org) or by contacting ASI at 303-771-3500.

Award nominations must be received at the ASI office before Nov. 30, 2005, to be considered. Winners will be honored during the ASI Convention in Phoenix, Ariz., Jan. 26-28, 2006.

A list of past award recipients is also available on the ASI Web Site. Past award recipients are not eligible for re-nomination.
